Mr. Steve Jones

Texas

Registration 31469

Proposal for disposing of waste water generated at Nipco, Inc.
2104 W. 42ND. st. Odessa, Texas.

Waste water is retained in chemical resistant fiberglass tank.
It will be picked up from tank, pumped through filters into
a 4000 gal. fiberglass holding tank where it will be pumped
back into the plant where it will be recycled for usage in
rinse vats and cleaning of materials to be plated. All excess
waste water will be transferred to an offsite disposal well
located in Odessa operated by BFI.

Sincerely yours,

W.A. FIELDS, President
